

ITEM SLN1005NCB : OPEN HEAD SEAMLESS STAINLESS

Skolnik Tight Head Stainless Steel Drums are UN rated for liquids and offer a dynamic solution to the containment of chemicals and UN rated Dangerous Goods (liquids). Their seamed construction with welded chimes, machined weld-in plugs and flanges has been engineered specifically for the shipping and storage of dangerous liquids. Particularly useful in the chemical industry, these tight head drums secure and reliable. Our UN rated, Stainless Steel Tight Head Drums are thicker, heavier, and stronger than the industry standards require, offering extreme durability, corrosion resistance, tensile strength and reusability. These Skolnik Stainless Steel Drums are UN rated for liquids and are available in stainless type 304 and in 16 gallon, 10 gallon and 5 gallon sizes - including a 5 gallon option with a handle on top.

Part Number	SLN1005NCB
Volume	10
Style	TH
Material	304 Stainless Steel
UN Solid	n/a
UN Liquid	1A1/X1.8/550
Thickness (tp/bd/bt)	1.2/1.2/1.2
Fittings and/or Gasket	Teflon
Closure	2" x 3/4" Machined
Exterior Color	n/a
Interior Color	n/a
Weight	21.10 Lbs
Inside Diameter	14.00 Inches
Inside Height	18.10 Inches
